Writing
Area

The image features a central whiteboard with a blue top border, a green left border, and a yellow right border. The words "Writing" and "Area" are written in a large, black, rounded font. Surrounding the whiteboard are several writing tools: a yellow pencil with a grey eraser on the left, a white marker with a black cap on the right, a blue crayon at the bottom right, and a red and green marker at the bottom. There are also three sticky notes: a pink one on the left with the letter 'o', a light blue one at the top with the letter 's', and another light blue one on the right with the letter 'm'. A grey letter 'h' is partially visible at the bottom left of the whiteboard.
