

Creative

A hand-drawn illustration on a piece of paper. The background is a light blue sky and a green field. In the center, there is a tall, thin figure with a red, textured body and a head that looks like a camera or a sensor. The figure has thin arms and legs. There are two butterflies, one on the left and one on the right, both drawn in brown and black. The word 'Creative' is written across the top of the illustration in large, colorful, outlined letters: C (red), r (yellow), e (green), a (blue), t (purple), i (red), v (red), e (red).
