

Sukkah

A sukkah is a temporary outdoor shelter used during of Sukkot.

The sukkah is primarily used as a place to eat meals during Sukkot, but many people spend as much of the festival as they can within the shelter.

Sukkahs can look quite different, but the roof must be made of some type of plant.

Can you design a sukkah for Sukkot?

Design a Sukkah

A large, empty rectangular area with rounded corners, outlined in green, intended for drawing or designing a Sukkah.
