# Farmer

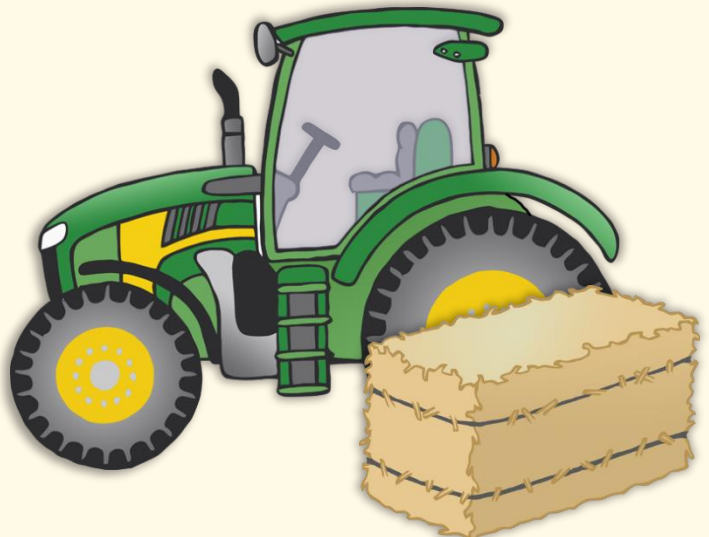

I'm a farmer.

I look after animals that live on my land. I give them food and shelter.

I also grow crops like vegetables that can be harvested when they are ready for people to eat.

I use a tractor to drive around muddy fields and move heavy things like bales of hay.

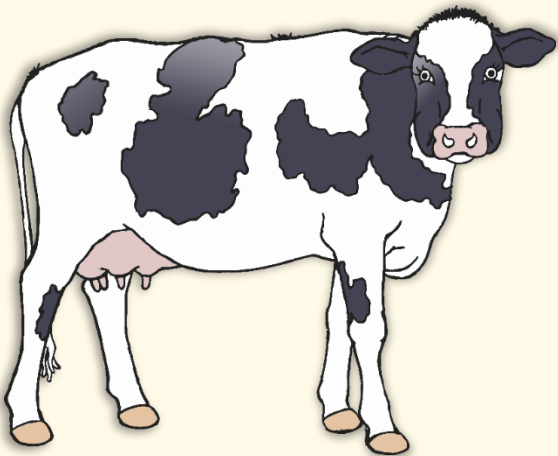

# Farmer

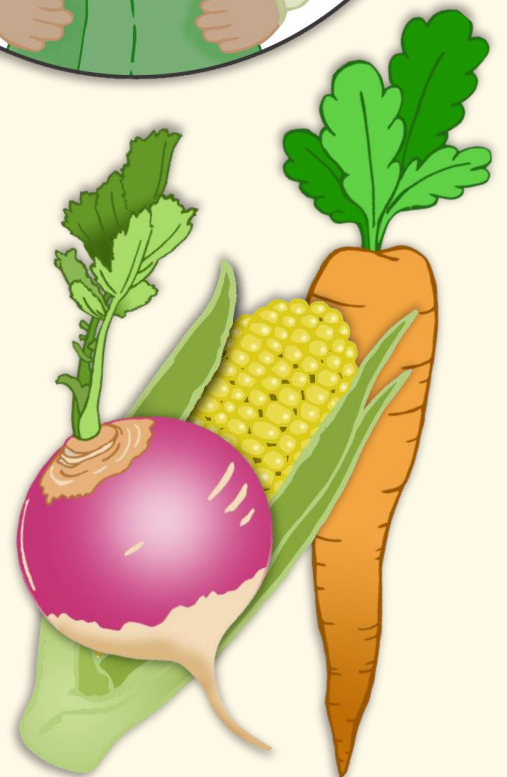

I have a sheep dog that helps me move the sheep around the farm.

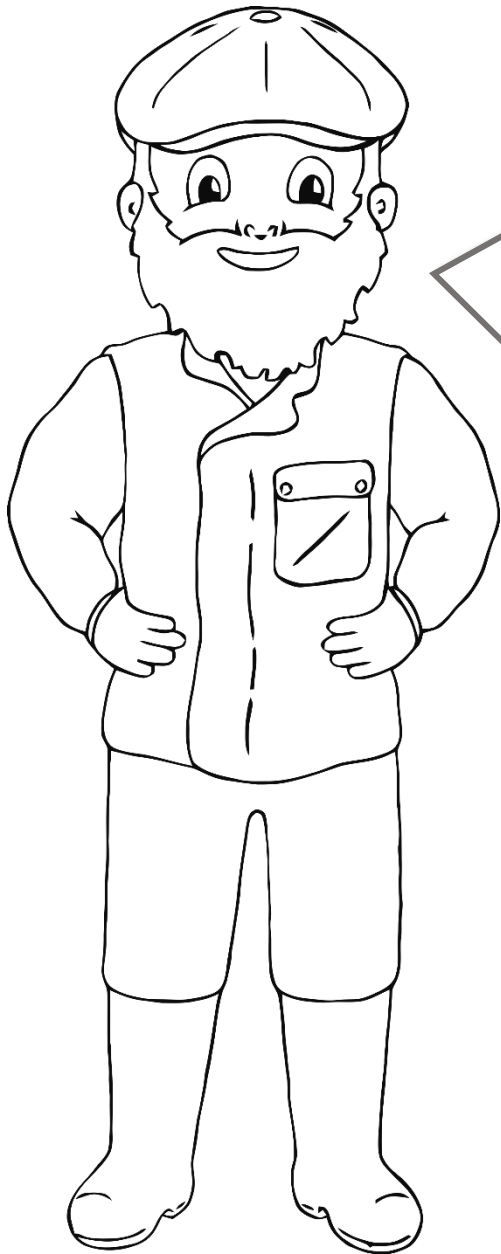

The cows on the farm give us milk.

It takes a long time to harvest all the crops.
