

Feed the Dinosaurs Dice Game

Players: 1-4

(1 x 6-sided dice needed)

- Take turns to turn over a dinosaur card.
- Roll dice to try and feed the dinosaur on the card. Odd numbers for carnivores. Even numbers for herbivores.
- If you roll the correct number, you have fed the dinosaur! Move your coloured footprint one space up the footprint line.
- The first person to get to the end of the line wins!
