

# Greeting Cards Activity - Friendship

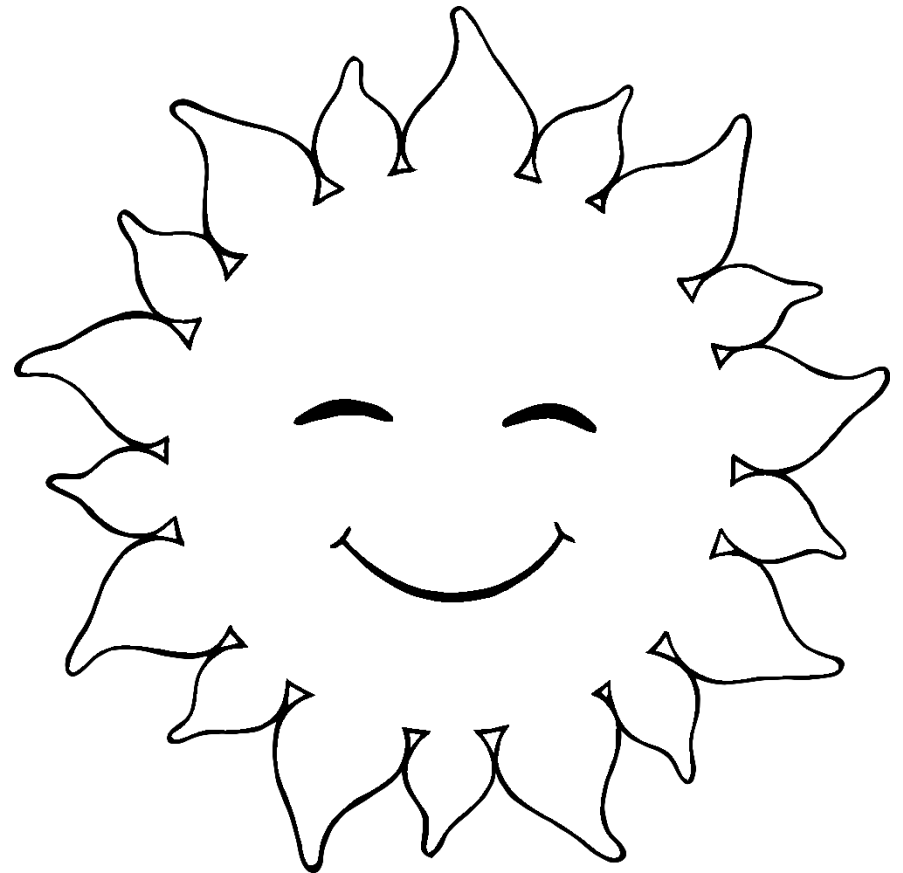

The activity is intended to encourage the children to really think about their friend's likes.

Each of these cards has the same message across the front but is accompanied by a different image. The children must think about which card they think their friend will like best before colouring it for them.

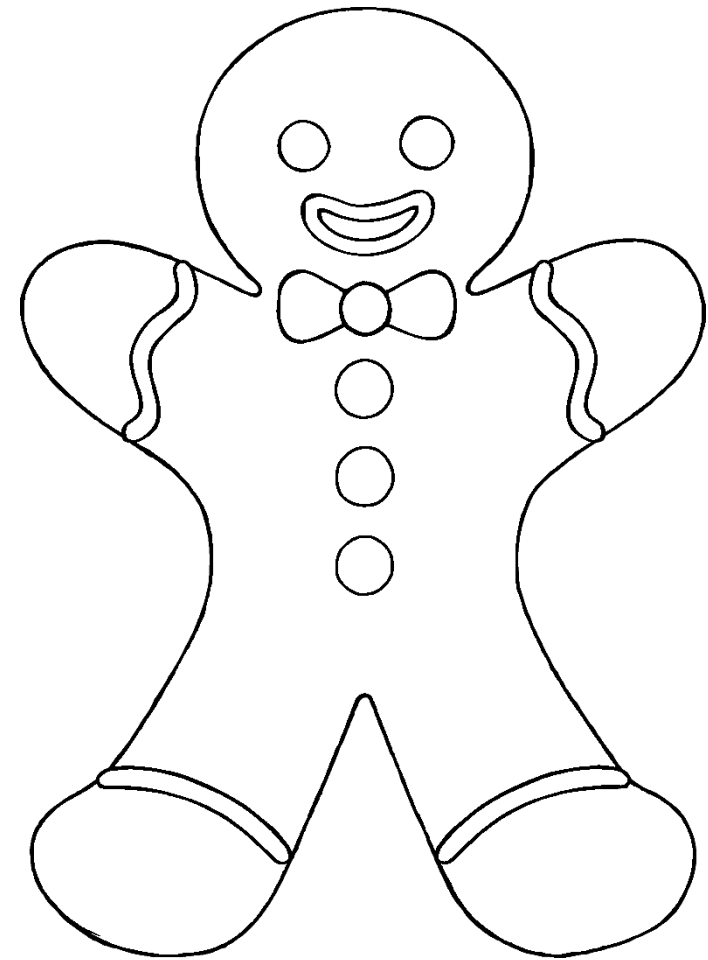

*N.B. The final page has a card with no image for the children to draw their own.*

Thank you for  
being my  
friend!

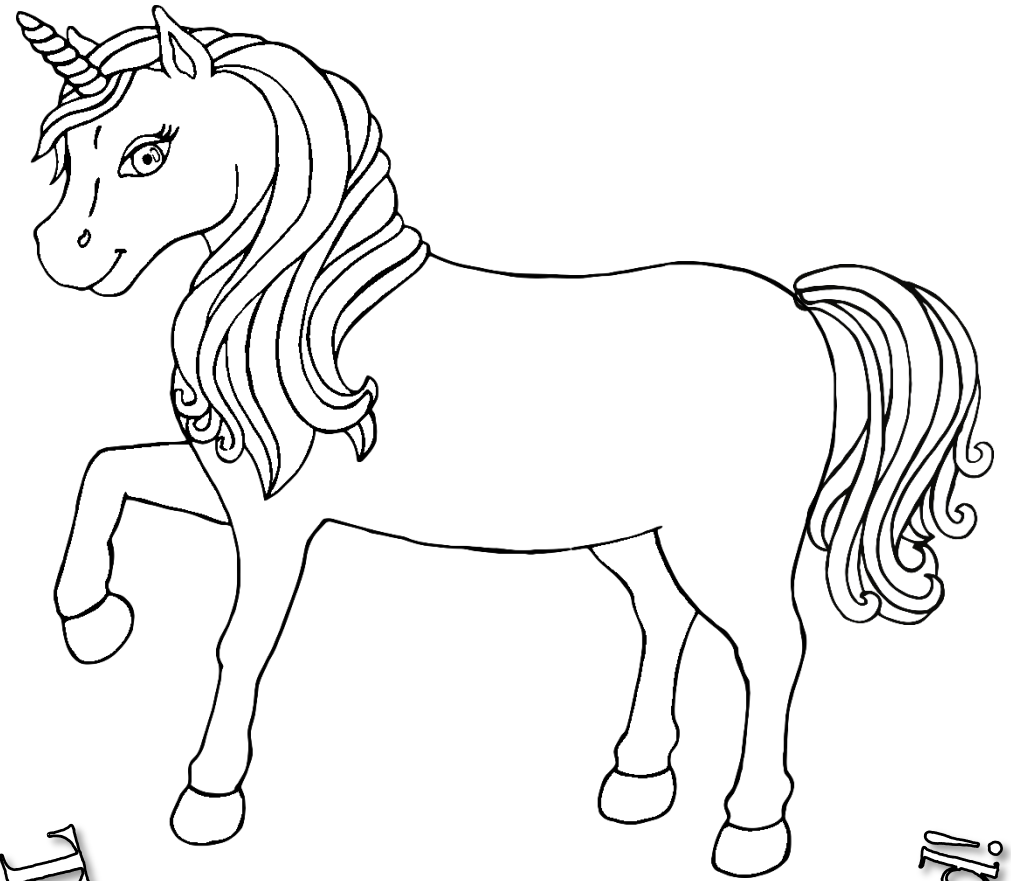

Thank you  
for being my  
friend!

Thank you for  
being my friend!

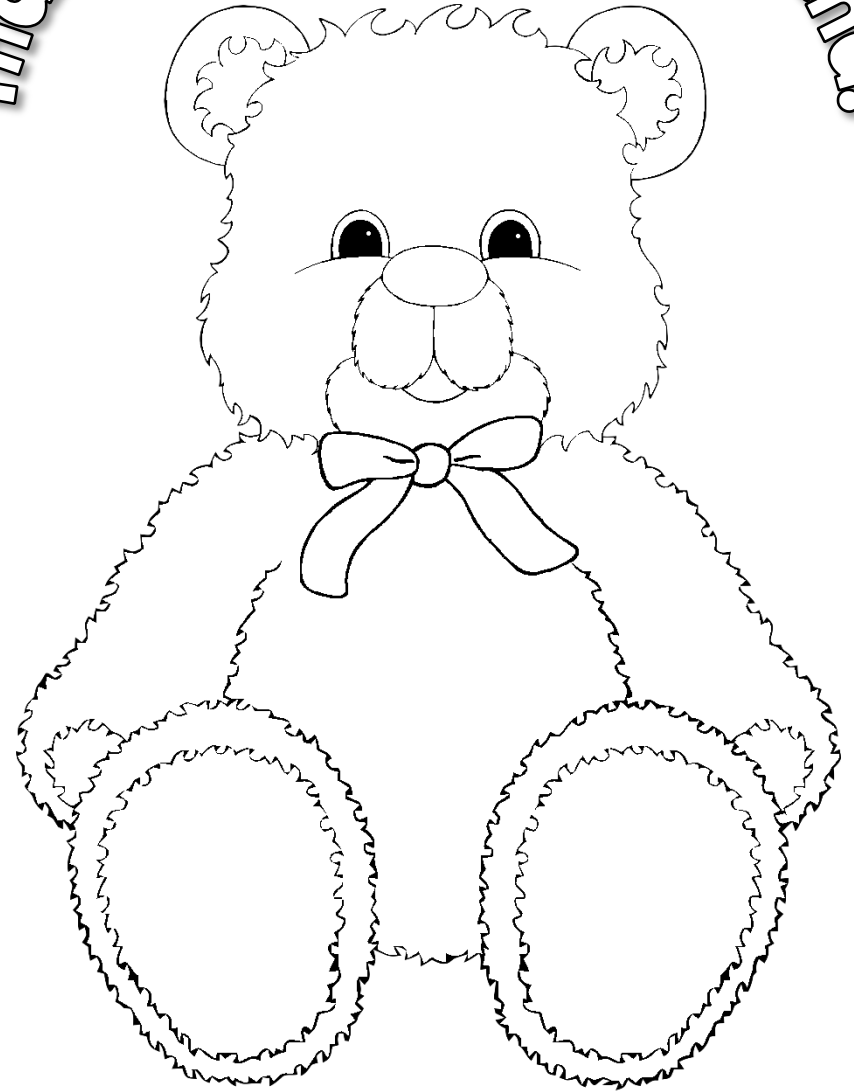

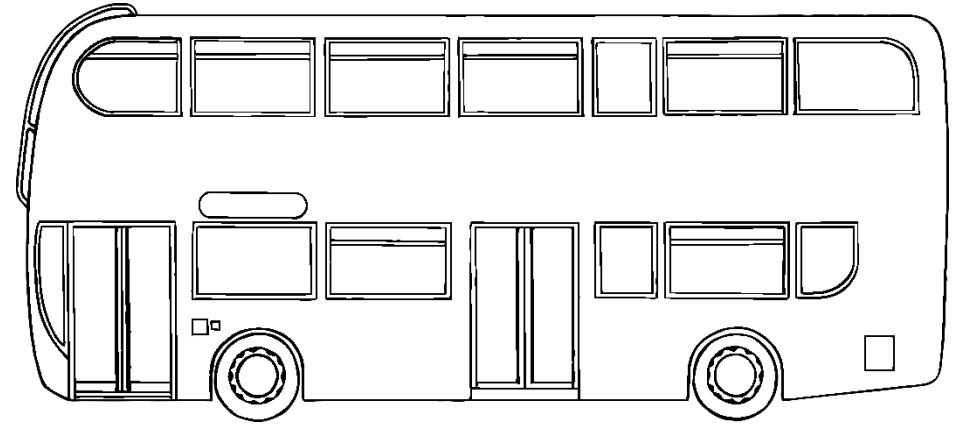

Thank you for being my friend!

Thank you for  
being my friend!

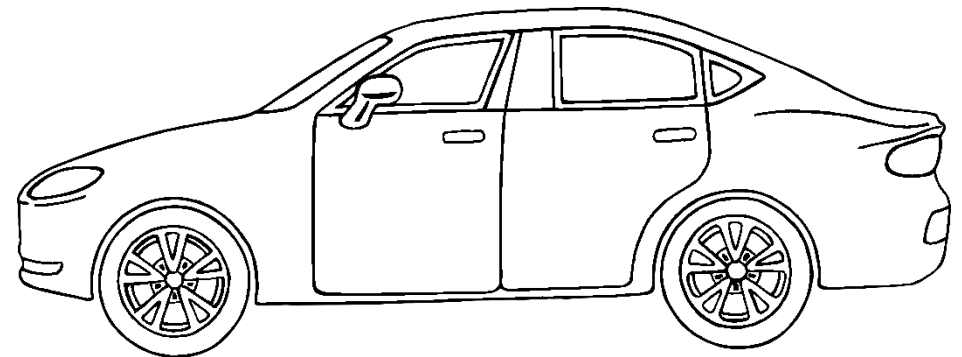

Thank you for being my friend!!

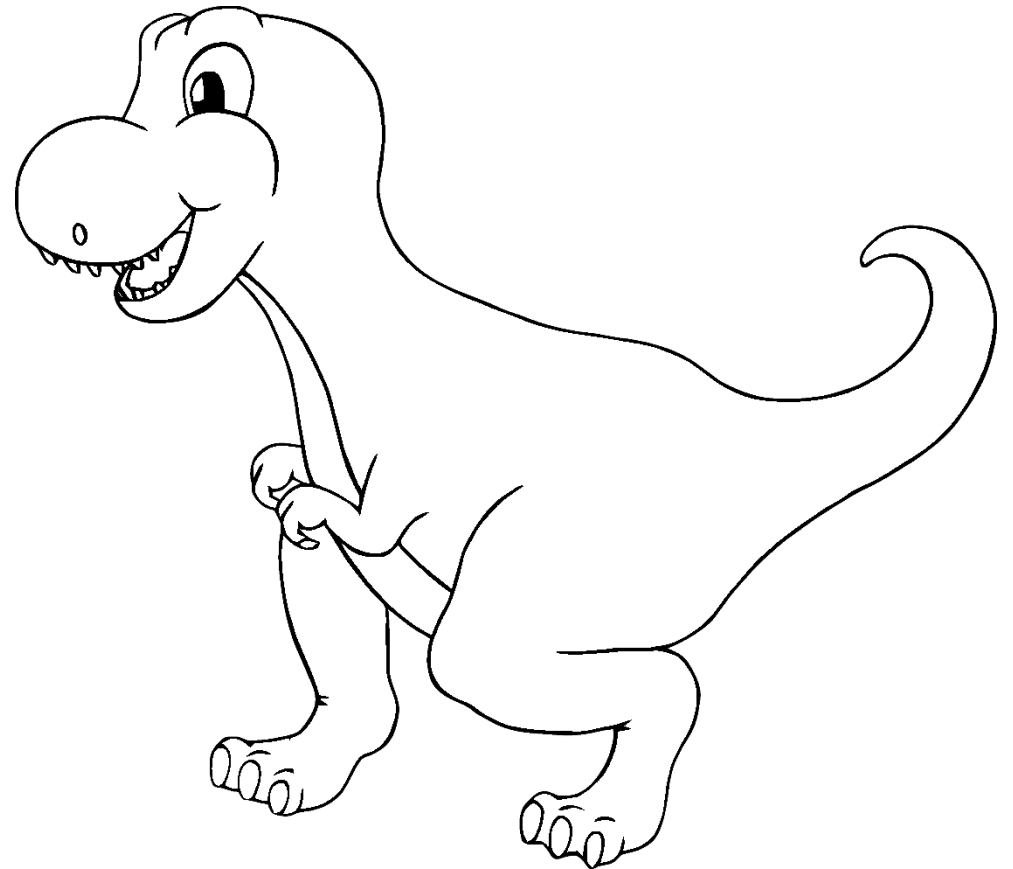

Thank you for  
being my friend!

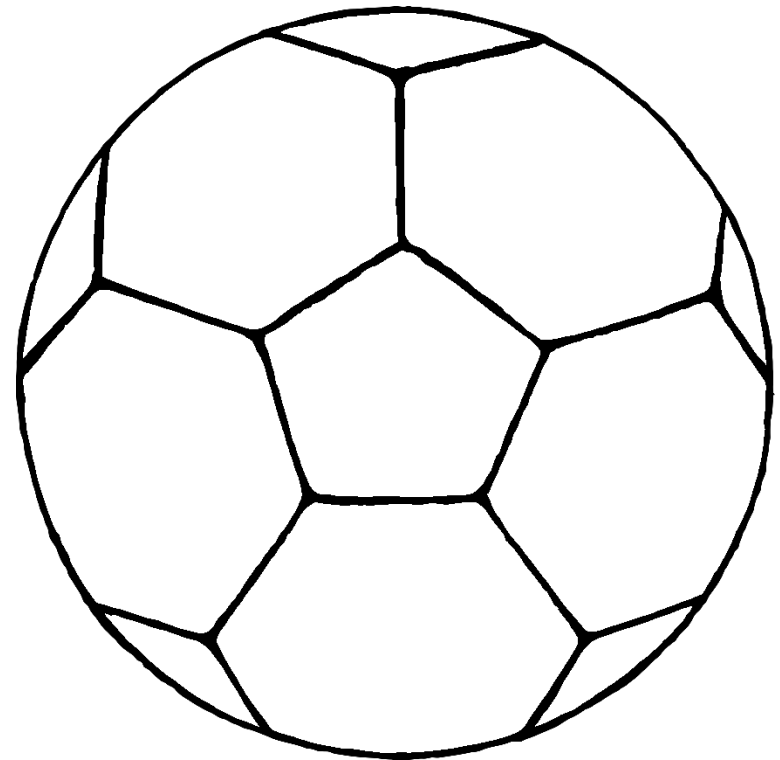

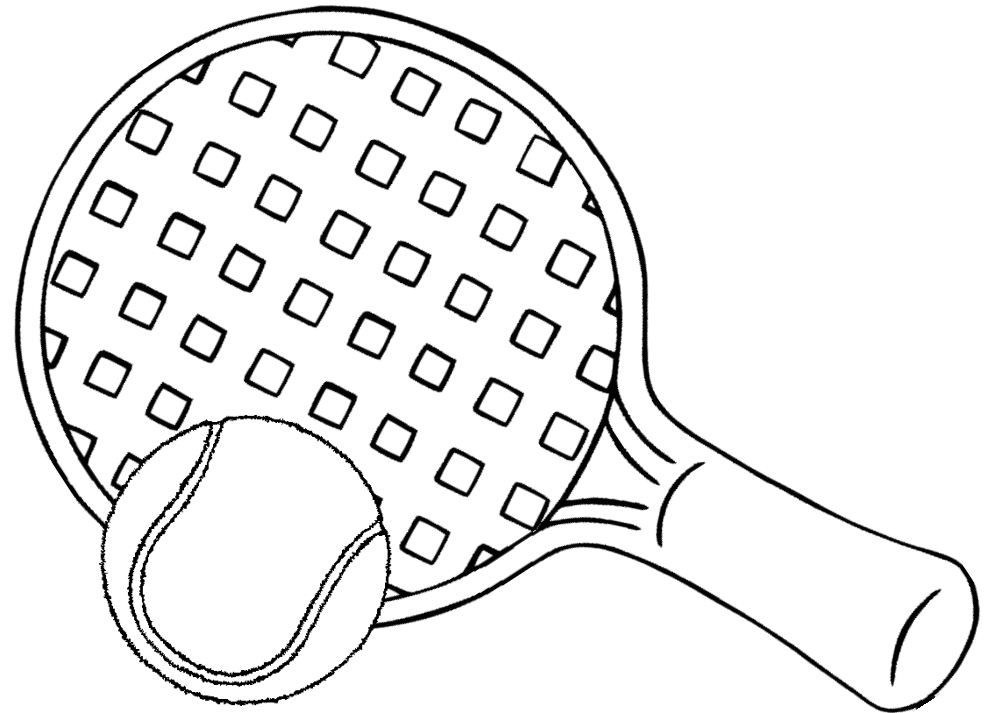

**THANK YOU**  
**FOR BEING MY FRIEND!**

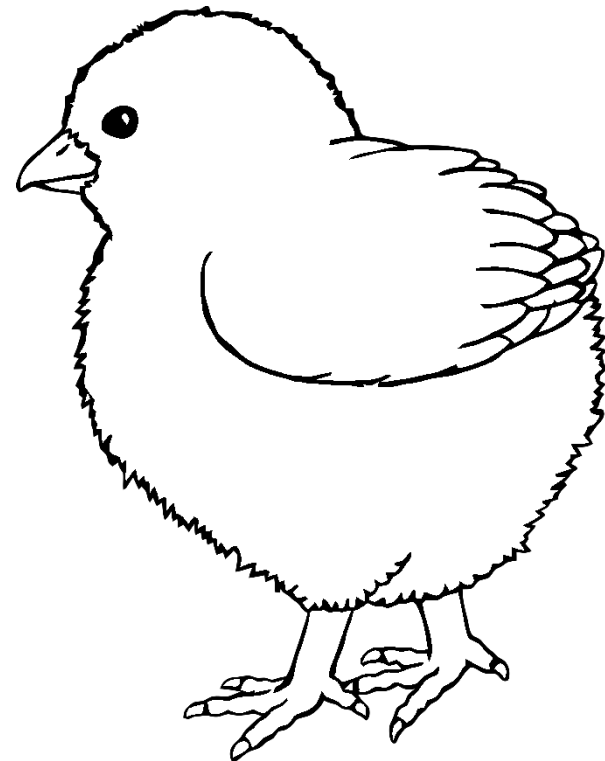

Thank you for  
being my  
friend!

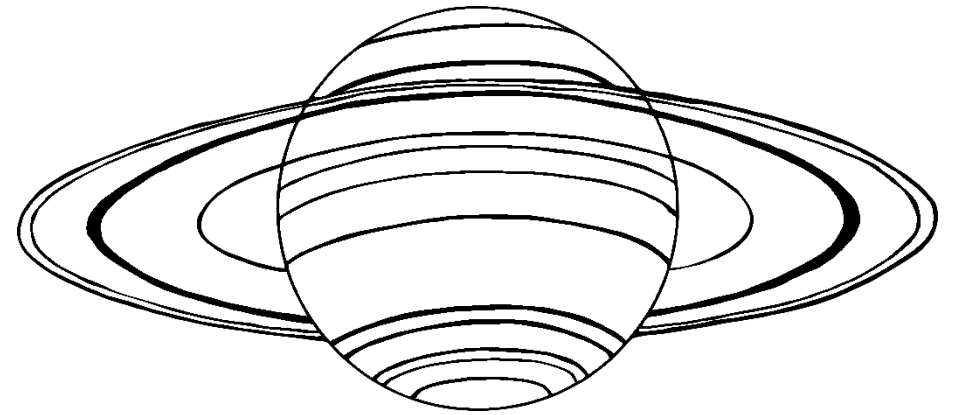

Thank you for  
being my friend!

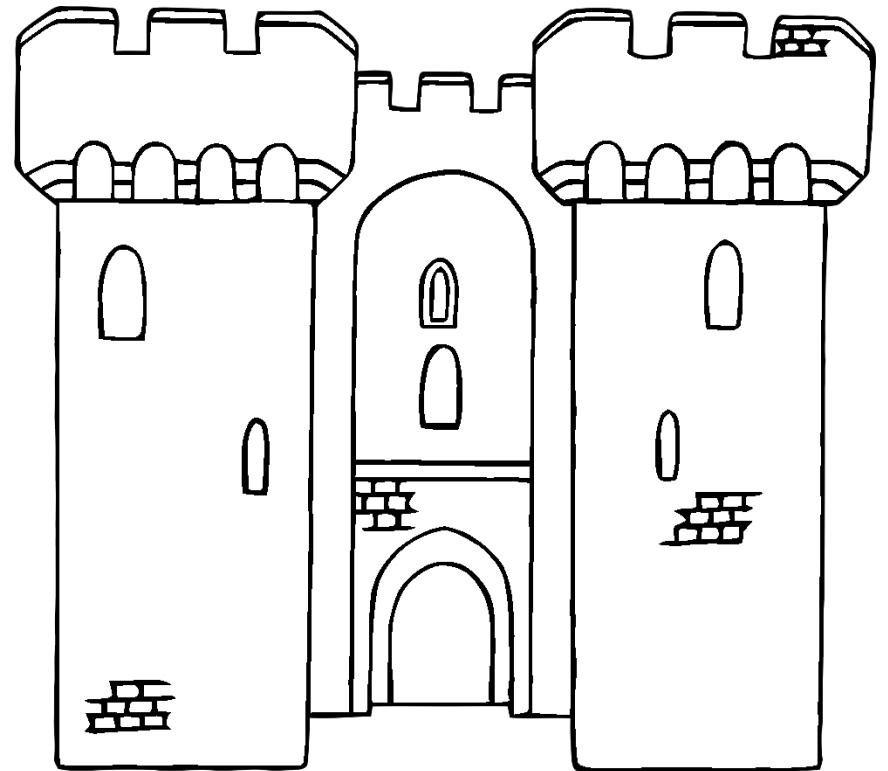

Thank you for  
being my friend!

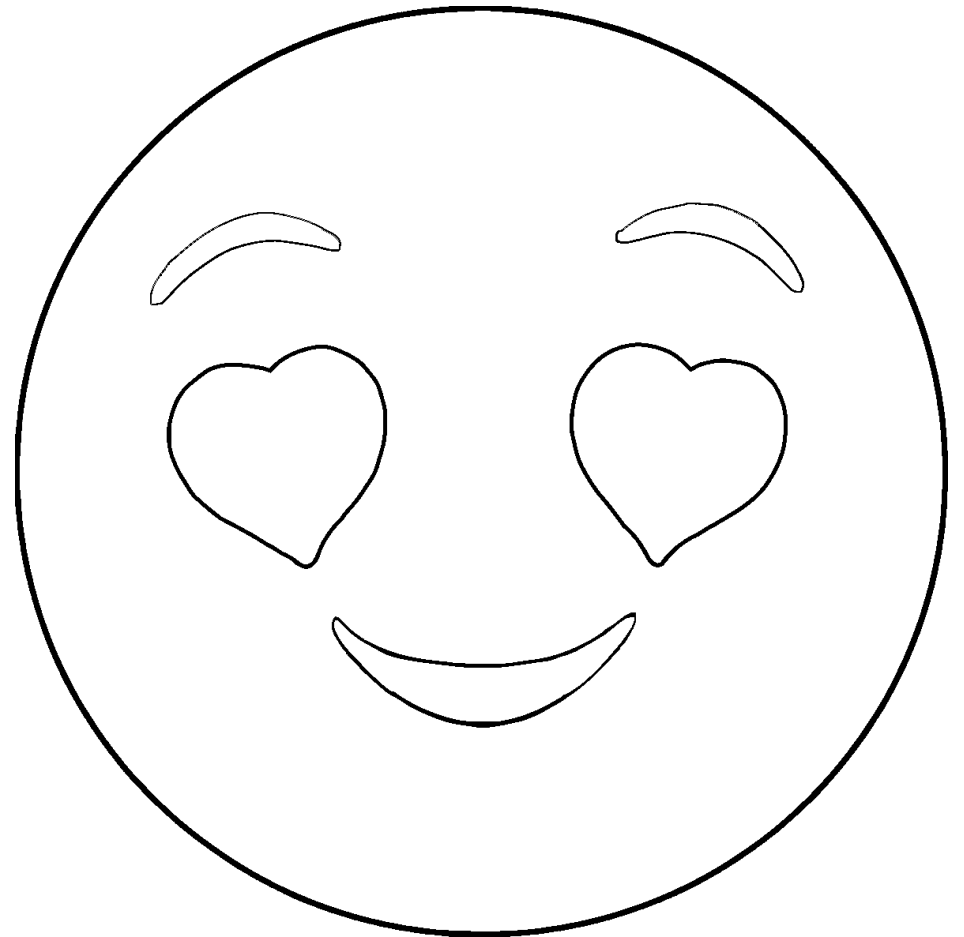

Thank you for  
being my friend!

Thank you for  
being my friend!

Thank you for being  
my friend!

**THANK YOU**  
**FOR BEING MY FRIEND!**
