

# Character Description Sheets – The Gingerbread Man

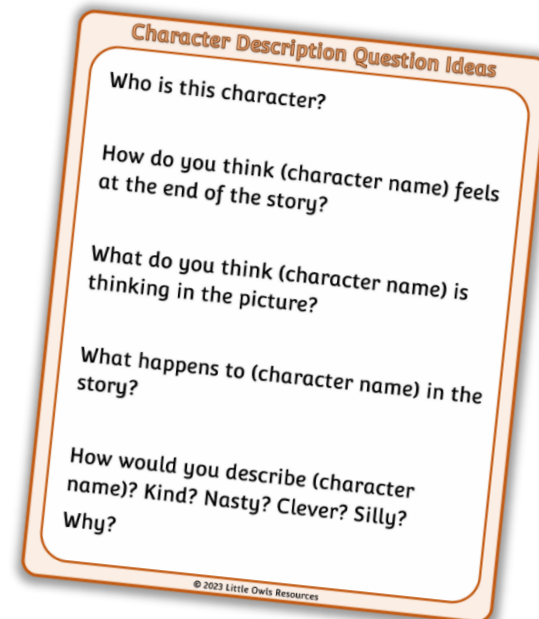

These sheets are made for children to think about the characters from the story and record their thoughts.

These thoughts can be written around the pictures by the children if they are able but equally valuable if scribed by an adult.

The discussions and ideas are the most important part of this activity!

At the end of the pack is a short question idea card to get the discussion started but add as many other questions as you like and encourage the children to ask their own questions too!
