

# I dream... poem

Poetry writing frame to encourage use of descriptive words.

- Child to think of something that they dream, wish and hope.
- Child (or scribing adult) to write the 'something' in the first rounded box on each page and then think of two words to help describe the 'something' they thought of.
- *There is no need for the words to rhyme.*
- The large box on each page is for an illustration.

Assist the child in performing their poem and enjoying the beauty and rhythm of the language!

I dream...
