

# Let's Connect...

with each other

Play → Connect → Talk

These prompt cards are ideas for fun activities that could be undertaken 1:1 with a child in the hopes of fostering a connection that could lead to talk.

A relaxed, fun situation is conducive to conversation which, as well as developing talking skills, will provide an opportunity for the child to express their feelings about themselves and others.

We hope this helps!

**Let's Connect...** with each other

Go on a  
wildlife  
walk.
