

**I care for people who are sick or injured  
in a hospital or in the community.**

**I work closely with doctors to help people  
get better as quickly as possible.**

**I also give important advice about  
staying healthy!**

**My job is to help people who are badly  
hurt or seriously ill.**

**If they need extra help, I transport them  
quickly and carefully to a hospital where  
they will be cared for by doctors and  
nurses.**

If there is a fire that needs to be put out,  
I will arrive as quick as I can to help.  
I will also do my best to rescue anyone  
from a fire that might be trapped.  
I wear special clothes to protect me.

I work at the library, organising books so  
that they are easy for people to find.  
I recommend good books that people  
might enjoy, and I help people find  
information using the books and  
internet.

I help children to learn new things.  
I think carefully about the children in my  
class and what they need to get better  
at.

To help them, I plan fun lessons and  
exciting activities!

I look after animals that live on my land.  
I give them food and shelter.  
I also grow crops like vegetables that can  
be harvested when they are ready for  
people to eat.

I collect letters and parcels that people want to send to someone else.

I help to sort the letters and parcels, so they get transported to the right person.

I post letters through the person's letterbox.

I check whether someone needs glasses by asking them to read letters on a chart.

I check which glasses will help them see clearly and then they choose the style they like.
