

Remembrance Day

Draw and Write

These sheets are for children to record their thoughts and feelings about Remembrance Day. They are differentiated by amounts of expected writing.

The image shows two worksheet templates for Remembrance Day. Both templates have a light green header with the title "Remembrance Day" in red, bold, sans-serif font. The header is decorated with several red poppy icons. The left template is divided into two sections: a writing area on the left with seven horizontal lines, and a drawing area on the right. The right template consists of a single large writing area. Both templates have a red border and a small copyright notice "© 2022 Little Owls Resources" at the bottom.

Remembrance Day

A large, empty rectangular area with rounded corners, outlined in red, intended for writing or drawing.
