

'What made the sound?' – Listening Game

You will need:

A metal spoon

A plastic cup

A duplo brick

A wooden block

A scrunched paper

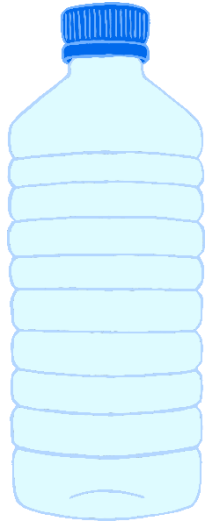

A cushion

A plastic bottle

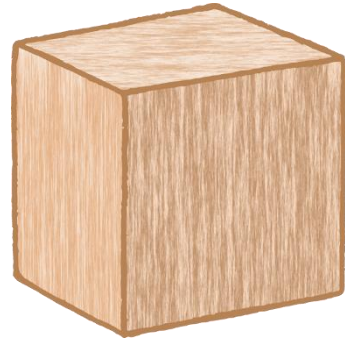

- One person to make a hidden sound with one of the objects.
- Other player/players to look at their mats as they listen and choose which object made the sound.
- Can be played with an adult and a group of children or two children working as a pair.

What made the sound?

plastic bottle

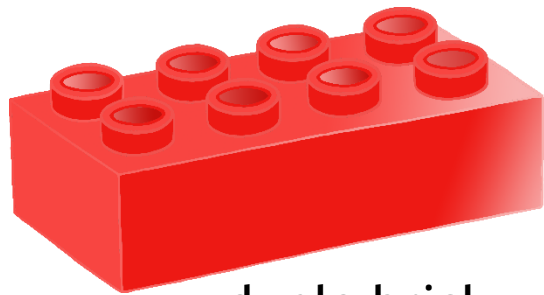

wooden block
